

Ohmsett to Exhibit at the Clean Gulf Conference in New Orleans, LA

LEONARDO, NJ – Ohmsett, The National Oil Spill Response Research & Renewable Energy Test Facility, will be exhibiting at the Clean Gulf 2015 Conference & Exhibition, November 10-12 at the Ernest N. Morial Convention Center in New Orleans, LA. Clean Gulf provides a forum for responders, operators, regulators, equipment providers and environmental groups to openly discuss best practices and lessons-learned.

Ohmsett will have an exhibit in **Booth #307**. Stop by to learn how you can test your equipment in a simulated marine environment with oil and waves. Only at Ohmsett's outdoor wave and tow tank will you find a full-scale facility that can give you the most accurate and reliable test results to improve the performance and efficiency of your equipment.

As our special guest, we have arranged for you to attend the Clean Gulf Exhibition for free! To take advantage of this offer, simply register online using the VIP code MAR15 and you can:

- Access the exhibit hall for 2 days and meet with over 150 companies
- Attend three General Sessions taking place at Clean Gulf: Keynote Address, Mega Session, and State/Federal Updates.
- Attend the networking reception on Wednesday evening

Make sure to stop by the Ohmsett booth #307 and say 'Hello' to Bill, Jane, and Tom. We look forward to seeing you there!

###

Ohmsett, The National Oil Spill Response Research & Renewable Energy Test Facility, is one of the largest outdoor saltwater wave/tow tanks in North America and is designed to evaluate the performance of full-scale and meso-scale equipment under realistic but safe environmental conditions. The facility, managed by BSEE and operated by MAR, Incorporated, is located at the Naval Weapons Station Earle Waterfront in Leonardo, New Jersey (about one hour drive south of New York City).
